

# Pursuing Alternative Choices through Knowledge (PACK)

**What is PACK?** PACK, otherwise known as Pursuing Alternative Choices through Knowledge is both a Substance Abuse and Behavioral Health program centered on the academic, mental and behavioral health needs of the Wichita Falls Independent District’s children and adolescents.

PACK provides on campus substance abuse and behavioral health psychoeducation and therapy services at the following locations: Wichita Falls High School, Hirschi High School and Denver Alternative Education Center.

Mrs. Monique Harris, MA, LPC-I, LCDC-I  
Supervised by: Andrew Martin, LPC-S
